

“Suggested” Daily Schedule-3rd Grade May 7-21

I understand everyone’s day is going to look different, so this is just a suggestion 😊

I have saved work for the last two weeks of school. Whenever you have completed all assignments please take a picture of your work and send to me. You are welcome to complete work early and be out for the summer! 😊 This has been a crazy year, one I will never forget, and I feel sure you won’t either. I wish you all the best in the future and thank you parents for all you have done this year! You are amazing and I couldn’t have done the last few months without all your support! I wish everyone a great summer!
